WHO WE ARE

Your cargo, from origin to destination, with a single point of contact

FECARGO is a foreign trade logistics operator founded in Guayaquil on February 1, 2005, part of Grupo MCKRIEGER S.A.S. Our team has worked in foreign trade since 1996. We offer international freight transport by air, sea, land and multimodal, customs brokerage and complementary logistics services.

Mission

To make our clients' foreign trade easier by managing their cargo from origin to destination with speed, safety and transparency, backed by an experienced team and a global network of agents.

Vision

To be the logistics operator of reference for importers and exporters in Ecuador, recognized for the reliability of its operations and for long-term relationships with clients, agents and suppliers.

VALUES

Commitment · Integrity · Punctuality · Safety · Service · Transparency · Innovation · Teamwork

TRACK RECORD

1996 Our founder starts working in Ecuadorian foreign trade.

2005 On February 1, FECARGO is founded in Guayaquil as an international freight agency.

2026 Foreign trade logistics operator of Grupo MCKRIEGER, member of 5 international agent networks.

HOW WE WORK · FIVE STEPS, ONE POINT OF CONTACT

1
Request
You tell us the origin, destination and type of cargo through the quote form.

2
Analysis
We review the cargo, the route and the customs and documentation requirements.

3
Proposal
We send you the quote with the transport mode and conditions, the same business day.

4
Operation
We coordinate the transport, the documentation and customs, always through the same contact.

5
Delivery and closing
We deliver the cargo and follow up with you until the operation is closed.

SERVICES

Logistics solutions from origin to destination

International transport, customs brokerage, perishable cargo, documentation and logistics services, with a single point of contact.

Air cargo

Consolidated and direct, perishable, urgent and DGR shipments with air waybill tracking.

Ocean freight

FCL, LCL, reefer, dangerous and project cargo with the leading shipping lines.

Land transport

National and international road freight, oversize and project cargo.

Multimodal transport

From China to Los Angeles by sea, to Miami by land and to Guayaquil or Quito by air, in a single operation.

Perishable cargo

Cold chain and reefer for agricultural exports, and time-critical cargo.

Dangerous goods (IMO / DGR)

Dangerous goods by sea, air and land, with shipping line approval and IMO labeling.

Customs

Import for consumption and special regimes, handled in ECUAPASS.

Documentation

Phytosanitary, origin, DJO, INEN, MIPRO, EUR.1, sanitary registration, FDA, MTOP and BL / AWB issuance.

Logistics services

Miami courier, armed escort, satellite padlock, K9 and factory inspection.

Insurance policy

Door-to-door all-risk coverage: ocean, air and land.

> More detail on each service, import and export guides, a glossary and free calculators (volumetric weight, cubic meters, container loading) at **fecargo.com/en**.

LCL OCEAN CONSOLIDATIONS TO GUAYAQUIL

Cargo that doesn't fill a container

We consolidate LCL cargo from almost all of the Americas and from Europe, with customs clearance and delivery in Ecuador.

ORIGIN	DEPARTURE	DETAIL
Miami	Weekly	United States
New York	Every two weeks	United States
Santos	Weekly	Brazil
Europe	Weekly	Hamburg, Rotterdam, Tallinn, Barcelona, Genoa and Istanbul; also Belgium, France and the United Kingdom
Rest of the Americas	Weekly	Canada, Mexico, Panama and Central America, Colombia, Peru, Chile, Argentina, Uruguay, Paraguay and Bolivia

How it is quoted: by CBM or weight, whichever is greater. Includes customs clearance with our customs broker and delivery in Guayaquil and nationwide. The transit time is confirmed in each quote.
What we don't cover: LCL consolidations from the Caribbean countries, Venezuela, the Guianas or some small Central American countries, such as Belize. If your origin is one of them, write to us and we will tell you what options there are.
